of the inam lands endowed to Sri Gopala Swami temple at Hosahalli, near Madhi. and praying for the recovery of the arrears of rent due for the said lands. The Petition was forwarded to the Inzgai court with the observation that the Amildar was directed on 10th aug. 1922 to make an inspection and send a report to the Dy Comr within fifteen days, and that officer was requested to enquire what action had been taken in the matter

The temple of Sri Gopala Swami in question is a Inam village endowed with Dry (S. no 76) and Garden (S. no 2) inam lands in Hosahalli village. The temple has been in ruins for the past 35 years and neither the idol nor the temple buildings

present. It would appear that formerly there was a Brindavanam in the temple which perhaps contained the idol of Sri Gopala Swami carved on one of its sides. Some 15 years after the original temple building came down, the villagers erected some stone pillars with a few roofing slabs over them with a view to build a Brindavanam for the temple, but this building has not completed. It is unknown who the Archaka is and there has been no puja for the last 30 years.

The temple lands are now reported to be presumably in the enjoyment of the Patel and Sankey of the village and that the Dy. Comr. reports that steps will be taken to resume the lands and lease them out afresh for suitable rents, as well as, the recovery of the arrears due from the persons concerned with a view to credit the amounts to temple fund. The Dy. Comr. further reports that the Patel and Sankey are

It is reported that the raiyats
have agreed to pay contribution
for the construction of a new
temple building in place of the ruined

The Dy. Com^r thinks that it
is not worthwhile retaining the site

D.O. report dated 16-11-1922 from the Amildar, Malur Camp Lakkur, to the Deputy Commissioner, Kolar District.

"With reference to your D.O.No.H.C.149/22-23 dated the 11th instant, (which I received on the 13th instant) regarding the lands of the Sri Gopalaswami temple at Hosahalli, I beg to state that the petition of Setti Narnappa to the Dewan Saheb was received by me on 28-9-1922, when I was subjected to frequent illness and I did not remember the time limit imposed and made up my mind to attend to the matter at the dittam Jamabandi of Masti Hobli which I then intended to bring by the 10th or 12th of October 22. But I had to postpone that Hobli as the Shekdar represented that the Pahani and other accounts were not ready. The enquiry was therefore in the usual course postponed along with the Jamabandi.

Alienation of temple lands is very common especially those of village institutions and I was therefore anxious to hold a full enquiry and set matters right before reporting. This rooted idea and the failure to note the time limit (which appears to have been very imperative) have been the sole causes of delay and not any wanton disregard of orders. In this case there has been no alienation of the lands.

I am not sure if the Dewan told me that I should report within 15 days. I remember his tellimg me to look ~~xxxx~~ thoroughly into the matter. I cannot account for not noting the period allowed. It seems strange, I generally don't blunder in this way.

The report is submitted to the Sub Division Officer with a request to forward it at once to you."

Sir,

With reference to your letter No.1192/M.F.150-22-25 dated 12th September 1922 forwarding for report petition presented to the Dewan during his tour from Settra Naranappa of Masti in Malur Taluk complaining of the unlawful enjoyment of the inam lands endowed to the Sri Gopalaswami temple at Hosahalli near Masti and in continuation of my letter No.148 of 28th November 1922 on the same subject, I have the honor to forward herewith copy of letter No.149 dated 28th December 1922 received from the Deputy Commissioner, Kolar District, detailing how by the negligence of the village and Taluk officials the lands were allowed to be in the clandestine enjoyment of others even though the institution has practically ceased to exist, and giving his own views regarding the feasibility of the construction of the temple building and the continuance of the inam after revival of the puja therein.

2. Considering that the institution has practically ceased to exist for the last 30 years, I think that it is not worth-while continuing the inam on expectation of the temple being restored by the villagers and that the proper course will be to resume the inams and dispose of the lands by public auction.

3. The Deputy Commissioner has been asked to take severe notice of the conduct of the officials responsible for the misappropriation of the produce of the temple lands all this time and to report the action

"With reference to your letter No.148/22-23 dated 16th September 1922 and in continuation of my letter No.R.H.C.149/22-23 dated the 21st ultimo regarding the petition of one Setti Naranappa alleging that the inam lands endowed to the Sri Gopalaswami temple at Hosalli near Masti, Malur Taluk are being unlawfully enjoyed by some raiats of the village, I have the honor to forward herewith a file of correspondence ending with Malur -- Taluk Amildar's report No.118/22-23 dated 27th November 1922 and to state as follows:-

The Amildar has examined the raiyats and recorded their statements. The chief complaint of the petitioner is that the temple inam lands are being enjoyed by various persons without any return to the Institution. As a result of the enquiry, the ryots cultivating the lands have accepted their liability to pay the landlord s share. The Amildar's enquiry goes to show that the temple in question has been in ruins for the past 35 years nearly and that neither the idol nor even the temple building is in existence at present. It would appear that formerly there was a Brinda-vanam in the temple which perhaps contained the idol of Sri Gopalaswami carved on one of its sides. The only vestiges of the temple having existed are a stone pillar called the Dhvaja Stambha. Recently, that is some 15 years after the original temple building came down, the villagers erected some stone pillars with a few roofing slabs over them with a view to build 4 ankanams for the temple but this building was not completed.

It is not known who the archak of the temple is and it is ascertained that no pooja is being performed for the last 30 years. The temple is a Muzrai Institution endowed with two inam lands as described in the margin. These lands are -- reported to have been in the enjoyment of several ryots of the village for short periods. The exact extent of the rights of each of these persons or the circumstances under which each person happened to obtain possession of the inam lands cannot be easily ascertained. The lands are now presumably in the enjoyment of the Patel and the Shanbhog of the village and necessary steps will be taker to resume the lands immediately and to lease them out afresh for suitable rents. It is evident that these village officials are primarily responsi
